MINERAL ACT AND PLACER-MINING ACT

WHEREAS an unusual number of forest fires and resulting forest closures are delaying or preventing assessment and development work being performed on mineral claims, mineral leases, and placer-mining leases, and that it is in the public interest to defer the time for doing and recording such work in areas where forest closures have been declared pursuant to the *Forest Act*:

Therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, pursuant to section 124 of the *Mineral Act* and section 125 of the *Placer-mining Act*, the time for performing and recording assessment and development work on mineral claims and leases be extended to November 30, 1967, for those mineral claims and leases having anniversary dates between August 3, 1967, and September 30, 1967, both dates inclusive; but such extension of time shall not apply to the payment of fees and rentals due upon leases nor shall it apply to the payment of cash in lieu of work, any or all of which shall be paid on or before the anniversary date of the lease or claim concerned:

And to further order that the extension of time granted shall only be granted after approval by the Chief Gold Commissioner and shall only apply to those mineral claims and leases which are situated within an area where a forest closure has been declared.
